

English version of the facts

Attention: Zvicer is dangerous and might be armed!

Involvement in a criminal organization

Illicit trafficking in narcotic drugs and psychotropic substances

Radoje ZVICER is suspected of having imported 83 kg of cocaine (at least 60.9% pure content) from other countries to Austria as a leading member of a criminal organization. He contributed by organizing the smuggling trips with accomplices. The person concerned organized the delivery of the narcotics to the recipients who sold the narcotics in Vienna on behalf of the wanted person.
